PIG® Original DrainBlocker® Drain Cover

PLRE244

Specifications

Weight	5.900000
Absorbency	N/A
Color	Yellow/Black
Composition	Polyurethane
Contents/Package	1 each
Dimensions	61 cm x 61 cm x 1.3 cm
Warnings & Restrictions	Urethane Notice: Due to the nature of softer urethane, the physical properties of these products may change over time with exposure to certain environmental conditions like temperature, humidity and UV radiation. Typical life expectancy is 5 years. Please inspect the stored product regularly to ensure it is in a usable state. For optimum performance, ensure that the area where the product will be deployed is free of debris, cracks and holes. For more details and for chemical compatibility, please call Technical Services.
Recycled Content	N/A
Sold as	0

Description

Exclusive New Pig formulation features a super-durable, tear-resistant top layer that withstands repeated use and abrasion combined with a flexible, tacky bottom layer that tightly seals drain openings

Flexible Cover moulds to uneven surfaces to create an instant, temporary drain seal that prevents pollution

High-visibility yellow top colour draws attention to spill for increased safety; dark bottom colour hides dirt and grime

Chemical-resistant polyurethane resists water, oil and many chemicals

For best performance, make sure Cover overlaps drain opening at least 8cm on each edge (max drain size = 45cm x 45cm)
