Purpose	Leak Diverter Kits
Sold as	0

Description

Contains supplies for rapid response to roof leaks, all in a 25-litre bucket

Bucket can be used as a collection container for diverted liquid; printed "Caution" message doubles as a warning sign

Nonpermeable tarp is vinyl coated for strength and durability; resists punctures, UV and mildew for long life

Hangs easily in problem spots to catch nuisance leaks and channel them to a floor drain or collection container

Flow rate of 12.6 litres per minute when used with a 1/2" ID hose
