Description

High-tack disposable mat pulls dirt and debris from shoes and wheels to prevent tracking into offices

Used sheets tear off easily and individually

Numbered pull-tab system shows when you're running low

Low-profile pack adheres to floor with easy-to-use backing

Each 4 mil polyethylene sheet is anti-static, nonallergenic, nonodourous and nondrying

With a surface resistivty of 4.10*10^6 ohm/sq, mat is suitable for clean environments where electric discharge is a concern
